

Residential Comprehensive Audit Program Appliances Rebate Application Form

Met-Ed • Penelec • Penn Power • West Penn Power

The Residential Comprehensive Audit Program offers rebates for installation of energy-saving products for residential customers of FirstEnergy's Pennsylvania utilities. The comprehensive audits must be completed by a participating contractor. The installation of the energy-saving Major Measures may be completed by a participating contractor or the homeowner. Installation by homeowners will receive a quality assurance review by a FirstEnergy and/or CLEAResult representative. Installation by participating contractors will be reviewed on a random basis.

General Terms and Conditions

1. Applicant must be a Pennsylvania residential customer of Met-Ed, Penelec, Penn Power or West Penn Power, FirstEnergy's Pennsylvania utilities.
2. It is the responsibility of the customer to assure that all requirements for the rebate are met, including submission of required documents, such as receipt of the products and/or invoice from a participating contractor. Failure to provide any of the required information will prevent the processing of your application.
3. Rebates are available for ENERGY STAR certified appliances purchased in stores or online between June 1, 2021, and March 31, 2026.
4. Please submit one application form for the completed major measures rebate within 90 days of the installation of the major measures. Installation of major measures must be completed within 120 days from the date of the energy audit.
5. Products must be purchased and installed between June 1, 2021, and March 31, 2026. Rebate applications must be postmarked by April 1, 2026.
6. Rebate application with valid customer account number must be accompanied by a legible copy of the paid itemized sales receipt showing proof of purchase that includes manufacturer, model number, store/name, store location, purchase price, and date of purchase.
7. Individual measure rebate amounts cannot exceed the total cost of product and installation.
8. Payment will be issued to the account holder and service address on record with applicable FirstEnergy Pennsylvania utility, unless otherwise indicated to issue to contractor.
9. Please allow up to 30 days from the date all required information is received to process your rebate.
10. All rebated products must be installed at the service address specified on the rebate application.
11. Program procedures, requirements and rebate levels are subject to change or cancellation without notice and are subject to available program funding.
12. FirstEnergy's Pennsylvania electric companies and/or their designees including program administrators do not endorse any manufacturer or product as part of this program.
13. FirstEnergy's Pennsylvania electric companies and/or CLEAResult®, their parents, subsidiaries, employees, affiliates, and agents assume no responsibility for the performance of the equipment or equipment warranty, the quality of the work, labor and/or materials supplied, and/or the acts or omissions of the participating contractor.
14. By submitting this rebate application, you acknowledge FirstEnergy's Pennsylvania electric companies right to audit this application and if requested, you will allow a representative from FirstEnergy's Pennsylvania electric companies reasonable access to verify installation of qualifying product(s).
15. Mail-in rebate not available to customers who purchased product at Lowe's, The Home Depot, and/or Martin's Appliance.
16. By submitting this FirstEnergy's Pennsylvania electric companies rebate application, you acknowledge and agree to the rebate requirements found on this rebate form.

The costs of energy efficiency programs are recovered through customer rates in accordance with PA Act 129 of 2008. For a complete list of commercial, industrial, residential and low-income energy efficiency programs, please visit energysavePA.com. By participating in energy efficiency and peak demand reduction programs, customers agree to allow their utility to retain ownership of all Capacity Rights which refers to the demand reduction associated with any energy efficiency or peak demand reduction measures for which incentives were provided by the Company.
