

Residential Comprehensive Audit Program

Solar PV Rebate Application Form

Met-Ed • Penelec • Penn Power • West Penn Power

The Residential Comprehensive Audit Program offers rebates for installation of energy-saving products for residential customers of FirstEnergy's Pennsylvania utilities. The comprehensive audits must be completed by a participating contractor. The installation of the energy-saving Major Measures may be completed by a participating contractor or the homeowner. Installation by homeowners will receive a quality assurance review by a FirstEnergy and/or CLEAResult representative. Installation by participating contractors will be reviewed on a random basis.

General Terms and Conditions

1. Products and services must be purchased and installed between June 1, 2021, and January 30, 2026. Rebate applications must be postmarked by April 1, 2026.
2. Please submit one Solar PV Rebate Application Form within 120 days of the completed solar PV installation. Installation of PV Solar at your home must be completed within 180 days from the date of the Energy Audit.
3. Applicant must own the property where solar PV is installed.
4. The property where Solar PV was installed and is the subject of this Solar PV Rebate Application Form must not have any unresolved building code or other property related code violations.
5. FirstEnergy Pennsylvania Electric Company and/or their designees including program administrators and evaluation contractors reserve the right to review installations to verify completion and measure energy savings to ensure compliance with all program requirements. Such reviews will be made at a time convenient to the applicant. Misrepresentation of installation location or measure eligibility may result in forfeiture of the rebate.
6. The applicant must be a Pennsylvania residential customer of one of FirstEnergy Pennsylvania Electric Company's rate districts Met-Ed, Penelec, or West Penn Power.
7. It is the responsibility of the customer to assure that all requirements for the rebate are met, including submission of required documents, such as receipt of the products and/or invoice from a participating contractor. Failure to provide any of the required information will prevent the processing of your application.
8. Rebate payments are based on the date of service. Customers must abide by the rules and rebate levels in effect on the date of purchase.
9. Program procedures, requirements, and rebate levels are subject to change and/ or cancel without notice and are subject to available program funds.
10. Payment will be issued to the account holder and service address on record with applicable FirstEnergy Pennsylvania Electric Company rate district, unless otherwise indicated to issue to contractor.
11. Please allow up to 90 days from the date all required information is received to process your rebate(s). Installations must be completed in accordance with all laws, codes, and other requirements applicable under federal, state, and local authority and follow manufacturer's instructions or guidelines.
12. You are urged to seek appropriate consultation concerning any tax liabilities that could be associated with the receipt of the rebate.
13. FirstEnergy's Pennsylvania utilities and CLEAResult®, their parents, subsidiaries, employees, affiliates, and agents assume no responsibility for the performance of the equipment or equipment warranty, the quality of the work, labor and/or materials supplied, and/or the acts or omissions of the participating contractor.
14. The customer hereby agrees to indemnify, defend, and hold harmless FirstEnergy Pennsylvania Electric Company and CLEAResult®, their parents, subsidiaries, employees, affiliates, and agents from any and all liability associated with this project.
15. I understand that I may be contacted by FirstEnergy Pennsylvania Electric Company via survey or questionnaire to provide feedback on my satisfaction with the program

The costs of energy efficiency programs are recovered through customer rates in accordance with PA Act 129 of 2008. For a complete list of commercial, industrial, residential and low-income energy efficiency programs, please visit energysavePA.com. By participating in energy efficiency and peak demand reduction programs, customers agree to allow their utility to retain ownership of all Capacity Rights which refers to the demand reduction associated with any energy efficiency or peak demand reduction measures for which incentives were provided by the Company.
