

Residential Comprehensive Audit Program

Weatherization Major Measures

Rebate Application Form

Met-Ed • Penelec • Penn Power • West Penn Power

The Residential Comprehensive Audit Program offers rebates for installation of energy-saving products for residential customers of FirstEnergy's Pennsylvania utilities. The comprehensive audits must be completed by a participating contractor. The installation of the energy-saving Major Measures may be completed by a participating contractor or the homeowner. Installation by homeowners will receive a quality assurance review by a FirstEnergy and/or CLEAResult representative. Installation by participating contractors will be reviewed on a random basis.

General Terms and Conditions

1. Applicant must be a Pennsylvania residential customer of Met-Ed, Penelec, Penn Power or West Penn Power, FirstEnergy's Pennsylvania utilities.
2. It is the responsibility of the customer to assure that all requirements for the rebate are met, including submission of required documents, such as receipt of the products and/or invoice from a participating contractor. Failure to provide any of the required information will prevent processing of your application.
3. Products and services must be purchased and installed between June 1, 2021, and March 31, 2026. Rebate applications must be postmarked by April 1, 2026.
4. Please submit one application form for the completed major measures rebate within 90 days of the installation of the major measures or date of a blower door test if air sealing was performed. Installation of major measures must be completed within 120 days from the date of the energy audit.
5. Individual measure rebate amounts cannot exceed total cost of installation.
6. Quality Assurance reviews will be conducted by FirstEnergy and/or CLEAResult representatives. Work completed by a participating contractor will be reviewed on a random basis. Work completed by a homeowner will be reviewed in every case.
7. FirstEnergy's Pennsylvania utilities and/or their designees including program administrators and evaluation contractors reserve the right to review installations to verify completion and measure energy savings to ensure compliance with all program requirements. Such reviews will be made at a time convenient to the applicant. Misrepresentation of installation location or measure eligibility may result in forfeiture of the rebate.
8. Rebate payments are based on the date of service. Customers must abide by the rules and rebate levels in effect on the date of purchase.
9. Program procedures, requirements, and rebate levels are subject to change and/or cancel without notice and are subject to available program funds.
10. Payment will be issued to account holder and service address on record with applicable FirstEnergy Pennsylvania utility, unless otherwise indicated to issue to contractor.
11. Please allow up to 90 days from the date all required information is received to process your rebate(s). Installations must be completed in accordance with all laws, codes, and other requirements applicable under federal, state, and local authority and follow manufacturer's instructions or guidelines.
12. You are urged to seek appropriate consultation concerning any tax liabilities that could be associated with the receipt of the rebate.
13. FirstEnergy's Pennsylvania utilities and CLEAResult®, their parents, subsidiaries, employees, affiliates, and agents assume no responsibility for the performance of the equipment or equipment warranty, the quality of the work, labor and/or materials supplied, and/or the acts or omissions of the participating contractor.
14. The customer hereby agrees to indemnify, defend, and hold harmless FirstEnergy's Pennsylvania utilities and CLEAResult®, their parents, subsidiaries, employees, affiliates, and agents from any and all liability associated with this project.
15. I understand that I may be contacted by FirstEnergy's Pennsylvania utilities via survey or questionnaire to provide feedback on my satisfaction with the program.

The costs of energy efficiency programs are recovered through customer rates in accordance with PA Act 129 of 2008. For a complete list of commercial, industrial, residential and low-income energy efficiency programs, please visit energysavePA.com. By participating in energy efficiency and peak demand reduction programs, customers agree to allow their utility to retain ownership of all Capacity Rights which refers to the demand reduction associated with any energy efficiency or peak demand reduction measures for which incentives were provided by the Company.
